CarbonCare InnoLab (CCIL) is an independent community NGO dedicated to expanding the circle of people active on climate change innovation, education and action, with a strong focus on youth and students. CCIL is registered as a charity.

The Hong Kong Jockey Club Charities Trust have approved a grant for CCIL) to implement the Hong Kong Jockey Club SolarCare Pilot Programme for installation of solar systems for non-government organizations for joining the Feed-in Tariff (FiT) Scheme proposed by the government. The Phase I works cover a total of 10 sites with a project estimate of \$16 million.

We are looking for highly motivated competent consultants to oversee a consultancy for implementation of the project. The scope of this consultancy, which is currently expected to commence in May 2019, is indicated in the Brief.

Interested consultants please send in a brief company profile with past experience on solar system to info@ccinnolab.org with subject title "SolarCare Consultancy". Consultants which are considered suitable to undertake the project will be granted access to the Electronic Invitation Packages.
